It sounds like Jill will be back tomorrow and she is the most appropriate person. I can try and catch her before the call to give her a heads up since she has been out for a while

Hi Mike, Rochelle, Jill – just a heads-up that I won't have anything to say about the 303(d) program in Oregon.

For our portion tomorrow I was thinking of the following.

**Brian provides:**

- A brief summary of HQs work related to OA
- Status of responding to Ecology's request.
- Other stuff

**EPA Region 10:**

- Teena/Mike provide overview of workgroups EPA Region 10 involved with
- Ben provides brief overview of EPA grant to Ecology.
- Cheryl/Steven/Rochelle provide brief overview of RARE project and any other research related work we are doing.
- Lori/Jill provide status of CBD lawsuit.
- Bridgette/Rochelle/Jill provide status of State 303(d) listings for Oregon if not already raised.

Thoughts?

Michael, our apologies – we huddled amongst ourselves last week and agreed the agenda worked and coordinated amongst ourselves, but failed to let you know! Here is a tweak to let you know who will be participating:

1. Overview of current and planned activities by organizations (each organization provides a brief overview of their activities)
  - Governor's Office (Gabriela Goldfarb)
  - ODFW (Caren Braby)
  - ODEQ (Jennifer Wigal, Brian Boling)
  - EPA HQs (Brian Rappoli)
  - EPA Region 10 (Several people).

We will have 2 Sea Grant Fellows listening in, Kaity Goldsmith, with the Governor's office, and Kelsey Adkisson, with ODFW.

If you can update us about who will be participating from EPA in addition to those cc'd above, that would be helpful.

Look forward to speaking with you tomorrow.

Gabriela

Thank you Michael and Bridgette, looking forward to it. I've copied my Sea Grant Fellow Kaity Goldsmith – please add her to your distribution for Oregon – and we will be adding folks from DEQ as well. Caren Braby is point on this engagement, we'll work through her to provide some detail on items we'd like to discuss once we have a sense of the time available.

Best,

Gabriela
